Opening a World of Discovery for Today's Classrooms and Libraries

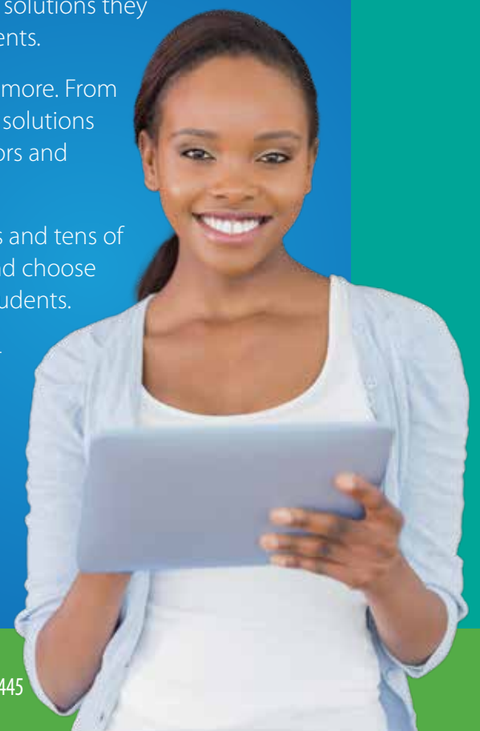

At Lightbox Learning, we value nothing more than the power of education. We have listened closely to librarians, teachers, and parents who are looking for quality, innovative educational solutions they can trust and that inspire a love of learning in students.

Our classroom and library solutions do all that and more. From printed books to online products, every one of our solutions is designed with the unique needs of both educators and students in mind.

Our offerings include thousands of interactive titles and tens of thousands of media-rich resources. You can pick and choose products to create a custom experience for your students.

Our fiction and nonfiction titles feature curriculum-connected and high-interest content connected to subjects ranging from language arts and social studies to STEM and sports.

Our media enhanced books and online classroom solutions engage learners, motivate reluctant readers, and give students the chance to explore a multitude of languages.

Our Digital Subscriptions Are

1. Easy to use
2. Available 24/7
3. Accessible by multiple users
4. Enriched with new content every month
5. Accessible from any device
6. WCAG 2.0 and Section 508 compliant

All Titles Are Available in Hardcover!

Overview

The **Everything about Bugs** series examines a wide range of arthropods, from beautiful dragonflies to creepy crawly spiders. Readers will learn exciting facts about each arthropod, including its body features, where it lives, what it eats, and its role in nature. Vibrant photos and easy-to-read text will engage beginning readers as they learn about Earth's most interesting tiny creatures.
